## 200 Submissions needed in 30 days!

Seems like it is feast or famine with the OAA show schedule, but if you like to show your art (and that's what OAA is about my friend) this is absolutely the season to be thankful.

First up on the 14th of this month we have our next edition of "Flag Ship" Oakland Chamber Show. This is always a great venue and this show will be unique in that the Staff at the Chamber will stand as our Jury! See Page 3

for all the information.

Although the MTC Show will not actually go up until after the first of the year, you need to make your submissions on or before Dec. 1st. See the rules on page 2.

Next day will be our Small Format Show at the Rockridge Library beginning Dec. 2nd. This has always been a great show for us, and gives our members a chance to show work a little out-

side of their normal fare. Check out the rules on page 4.

In addition to these three juried shows, eleven members will contribute four works each to the new Jack London Satellite Show which will go up on December 15th. Get the facts on page 8.

So dig deep, the association has a huge commitment coming up. The great talent and offerings of our members will once again carry the day!
