

OAKLAND ART ASSOCIATION

March 2006

Meet your incoming President: Bobbe Anderson

Like most of the members of Oakland Art Association, I have been painting most of my life, though I took time off to raise three sons. I have a degree in Chemistry from the University of Chicago, but also studied art at the Art Institute of Chicago, the Vogue School of Design and at Prairie State College. When my husband was transferred to the Bay Area, I resumed studies with such teachers as Peter Blos,

Dorothy Davis, Lundy Segrist and Pam Glover. Plein air painting is probably my first love - but new ventures make art work more exciting. I am constantly inspired by the talented painters of the Oakland Art Association. We have an illustrious past of over 50 years and I hope we can continue to meet new

challenges with new members and new venues to show our work, in the coming year.

the Rhode Island School of Design and currently maintains a studio/gallery on College Avenue in Oakland where she specializes in applying gold gilding to her work. Peterson's father (who worked in the 1930's for the WPA) was also an artist and she will be showing us slides of

NOTES AND OTHER NEWS:

- **Ginger Papnia** is offering Watercolor classes in her Studio every Thursday between 10 AM and 12:30 PM. Call Ginger for more information (510) 336-9544.
- The responses have been good in the Associations effort to **collect email addresses** from members who use the web. So far the membership committee has collected email information from almost half of our members which will of course be published with other pertinent details in the 2006 Roster. If you use email and have not responded, (or even if you already have, do it again to make sure our list is as complete as possible) please just send a short email to the editor (rixin@aol.com) including your name, and the email address will be added to your particulars in the new Roster.
- Speaking of the **Roster**, the goal is to publish it as soon as practical after the Annual Luncheon on April 20, 2006. The reason to wait until after the meeting is that the new officers will not be officially in place until after the formal vote at the lunch.
- Speaking of emails, the **newsletter is now 100% electronic**. This means that if you would like to receive the OAA newsletter by US mail and/or email it's your option. The email option is of course in full color and you will get it really quick. Just let the editor know at the address at the end of the sec-

tion.

- Start painting **LARGE!** OAA has a **show at EBMUD** which will open in May. This will be a great opportunity to show off your large format pieces.
- **Pat Dahlberg** has a show at the Orinda House Restaurant at 65 Moraga Way in Orinda.
- OAA member **Ginger Papnia** is showing at the Alameda Art Center – drop by and have a look!
- Would you have guessed that the last **OAA newsletter** to be mailed to the membership in February cost just under \$2.00 per copy to print and mail? The board considers the newsletter to be a very important part of our association, and has committed to allocate what ever resources are necessary to continue (and expand) its coverage and circulation. At the same time editor Rick Nelson, will be trying some new “tricks” to hold our costs down. Notice this issue has pages printed on both sides for example. Also, the show entry forms will not be published with each issue as in the past, but rather included in only every 3rd or 4th issue. (Additional entry forms will be available at each show take in or by US mail, just call or email the editor at the address below). The printed envelopes are also expensive, and another idea is to staple the newsletter as a booklet with a heavy gauge back page. The point of this rant is of course, to solicit your input before and as

the changes occur. Just because we change, doesn't mean we can't change back or try something else all together different. Although, as you can imagine not every request can be accommodated, I look forward to hearing what you think, not only on the form of the newsletter but also ideas for it's content!
